

You're invited

to see innovation in action at Newport Hospital with a close-up view of the da Vinci Surgical System.

da Vinci 5 Surgical System

SHOWCASE

Thursday, April 2, 2026

from 5:00 - 7:00 PM

Newport Hospital

20 Powel Ave, Newport, RI 02840

Light refreshments provided

Join us for an inspiring evening featuring:

Tenny Thomas, MD, President and Chief Medical Officer,

Dr. Jordan Hebert, DO, FACS, FASMB

Clinical Instructor of Surgery - Brown University

Bariatric, Foregut, and Abdominal Wall Reconstruction Surgeon,

and Dr. Meredith Wasserman, Urologist and Urogynecologist

as they share how bringing the da Vinci 5 to Newport Hospital will elevate surgical care close to home.

**Please respond by March 26 to Emily Manocchio
at 401-845-1617 or Emanocchio@brownhealth.org**

Your Support Makes This Possible

Bringing the da Vinci 5 Surgical System to Newport Hospital represents a **\$2.6 million** investment in advanced technology and expanded surgical capabilities.

With this innovation, patients in our community will have greater access to minimally invasive procedures, enhanced precision, and shorter recovery times - all close to home.

**Please join us in shaping
the future of care at Newport Hospital.**
